## Who We are ?

**TEX NEST**  
As Individual As You  
SOURCING & MANUFACTURING HUB

**TEX-NEST** (As Individual As you) is a design & product development based sourcing & manufacturing platform which comprises & partners with **several production lines** for **Jersey, denim & non denim** together with in-house dyeing, **printing, embroidery and washing** facilities which have 1 million pieces garments capacity per month.

Our manufacturing units are mainly based in Gazipur (Dhaka) area and we have overseas home based offices in the key locations in Dunbar (Scotland). The main platform & showroom is based in Uttara (Dhaka) which is 15 minutes from Shahjalal International Airport, Dhaka. Our location allows for quicker merchandising and logistic supports to customers in today's fast stridden markets

We have collaboration with around **15 garment factories in Bangladesh & around 25 fabric mills** in Bangladesh, India, China, Pakistan etc. where we can take support to execute any kind of orders within time frame & following optimum level of quality.

# SERVICCES Design & Product Development

**TEX NEST**  
As Individual As You  
SOURCING & MANUFACTURING HUB

To provide design and product development support from fiber to garments to leading retailers and brands using integrated manufacturing resources, powerful CAD tools and interface with fashion forward customers, rapidly develop and bring trendy, innovative differentiated products to the strategic partners every season. We use “Innovation” & “Speed” as prime drivers, rather than sourcing & quality assurance. Our design team develop seasonal collections and capsule collection

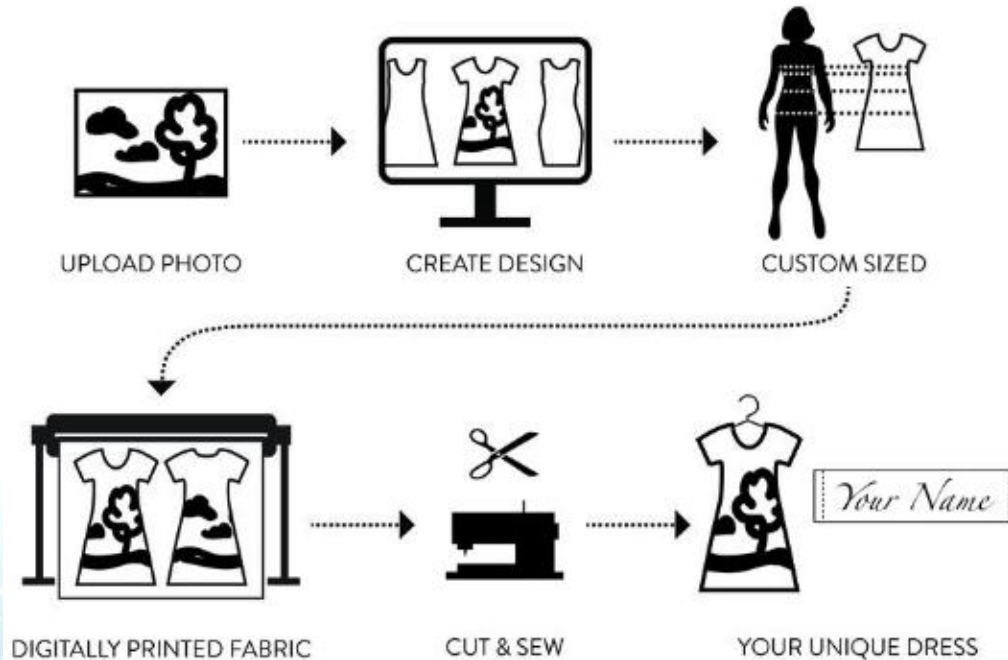

upon client’s requirements. By adapting to today's market needs, TEX-NEST has changed the way confection was done in Bangladesh and opened the door to new customers from all over the world.

# SERVICCES Design & Product Development

**TEX NEST**  
As Individual As You  
SOURCING & MANUFACTURING HUB

With rapidly evolving consumer tastes and millions of suppliers around the globe, it's no easy task to keep on top of the latest consumer trends. Product development and design leverages **global network**, providing the latest product trends and market intelligence to help customers to **develop business**. In addition, it can also offer sample developments based on product specifications and guidance on effective branding.

# SERVICCES Sourcing & Merchandising

**TEX NEST**  
As Individual As You  
SOURCING & MANUFACTURING HUB

Our experience, infrastructure and specialization in this sector enable us to cater for **our clients'** requirements. We can help our clients in many ways and have different flexible ways to deal with orders

Dedicated teams of **sourcing & merchandising specialists** focus on each customer segment professionally to manage the entire supply chain - from new inquiry and delivery, through raw material and factory sourcing, production planning and management, quality assurance and export documentation, to shipping consolidation.

Merchandisers are committed to understanding customer's products and objectives, becoming brand guardians and **adding real value** to the production process, rather than simply sourcing products

# SERVICCES Quality Control & Quality Assurance

**TEX NEST**  
As Individual As You

## GROUP PRODUCTION PARTNERS

**TEX NEST**  
As Individual As You  
SOURCING & MANUFACTURING HUB

All our production partners are leading garment manufacturers in Bangladesh. All of our factories are compliant with social and ethical aspects in regular practice of RMG industry. Majority of our factories are compliant with **ACCORD, BSCI, WRAP, CTPAT, RCS(Recycle), OEKOTEX, SADEX and GOTS(organic)**. Our factories are mostly vertical set up with design and product development support. Laundries are capable of doing **sustainable** washes including waterless and laser facilities.

We have strong partnership with fabric mills from both local and abroad who are also compliant and innovative in producing **sustainable fabrics and raw materials**.

We approach our suppliers as per customer requirements as a partner which is transparent!

## Our Vision

**TEX NEST**  
As Individual As You  
SOURCING & MANUFACTURING HUB

We are not simply another layer or intermediary, charging our customers to push emails and packages and **act as a policeman with its vendors**. We are in the process of changing from being buying agents and inspectors to becoming **Supply Chain Management Specialists**. We are undergoing this change to add value to our clients' sourcing, production tracking and quality assurance problems.
